Oklahoma ACTE  
Mutual Benefit Plan  
Open Enrollment  
until August 3, 2010

The OkACTE Mutual Benefit Plan (MBP) is a voluntary direct-death benefit program operated by the OkACTE for our members and their spouses. The plan provides an immediate monetary benefit to the named beneficiary upon the death of the participant. A premium of \$10 is assessed each member in the program upon the death of a participant. The enrollment fee is a onetime fee and you will be notified when there is a death. Currently the approximate benefit paid on a member's death is \$9000 and for a spouse's death is \$5000.

If you neglected to join the OkACTE Mutual Benefit Plan Program now is your opportunity to become a member. Open enrollment is only during Summer Conference Registration and will close the last day of conference. Call Debbie at 405-525-8906 if you have questions or for more information refer to our website [www.okacte.org](http://www.okacte.org). An enrollment form is attached or can be downloaded from our website. You can pay the enrollment fee when you register online or by check, and we need the form for your beneficiary information.

## ACTE Dues Increase

ACTE membership dues will increase from \$60 to \$80 beginning July 1. We must receive your payment in our office by June 30 to get the \$60 rate.
